

Carol Burnett

Risk & Compliance Associate

www.wespayadvisors.com

Carol Burnett brings over 12 years of experience to her role as WesPay Advisors' Risk & Compliance Associate. She started her payments career at the National Clearing House Association before joining WesPay Advisors. Carol is instrumental in working with clients to facilitate scheduling Risk Management Services, handle invoicing and is our point person for day-to-day needs during risk management audits and risk reviews.

WesPay Advisors delivers tailored consulting and risk management services that enables our clients to advance their development and deployment of electronic payments. Our team of industry-recognized payments professionals offer an independent assessment, from development through compliance management, that makes institutions, providers and innovators more competitive and responsive.

A new approach to payments advising SM
