

**Nathan Carman,**  
***NCP, AAP, APRP***

Payments Consultant

[www.wespayadvisors.com](http://www.wespayadvisors.com)

As a Payment Consultant with WesPay Advisors, Nathan Carman brings over 20 years of experience in the banking industry including over 14 years in various positions in retail branch banking and almost 6 years at Technology Credit Union managing ACH, Share Draft, Wire, ATM, and Card Services. He has focused his career on process improvement and creating operational efficiency through automation and system integration. In addition, Nathan serves in his role with WesPay as Assistant Vice President of Risk and Regulatory Compliance which utilizes his deep understanding of risk management and banking regulations.

Nathan earned a Bachelor of Science in Computer Engineering from University California Irvine and Masters in Business Administration from University of Phoenix and is a National Check Professional (NCP), Accredited ACH Professional (AAP), and Accredited Payments Risk Professional (APRP).

Select Areas of Expertise:

- Wire Transfer Rules and Regulations
- Risk Management and Compliance
- ACH Operations
- Retail Banking

WesPay Advisors delivers tailored consulting and risk management services that enables our clients to advance their development and deployment of electronic payments. Our team of industry-recognized payments professionals offer an independent assessment, from development through compliance management, that makes institutions, providers and innovators more competitive and responsive.
